A perfect place to store and protect your pop up stand

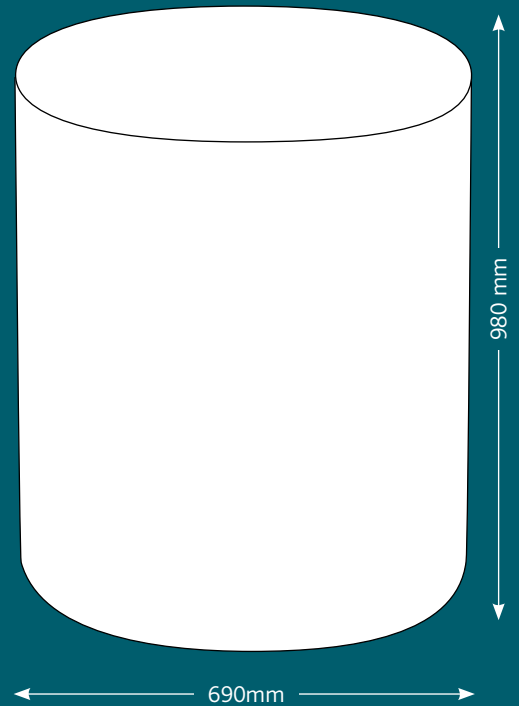

POP UP TRANSPORT DRUM AND STAND

Artwork Specifications

TOP VIEW footprint size

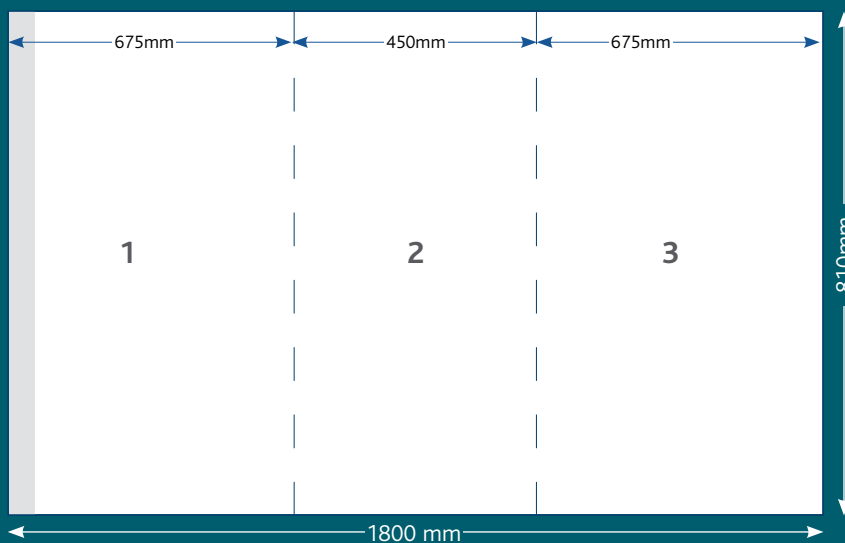

FRONT VIEW stand size

Please supply one flat piece of artwork. Centre your main image or logos within panel 2 so that it is perfectly visible from the front view.

40mm on the left hand long edge will overlap and will not be visible.

Please supply your file as a same size hi-res PDF with images of at least 75 dpi.

We don't need any bleed or crops.

Be sure to embed all fonts, or convert them to outline.

We have all the major page layout and design software so can help with PDF generation if needed.

Please upload your files to www.fineprint.wetransfer.com
